

FAMILY & FRIENDS

Our final exhibition of 2023 brings together existing and longstanding gallery artists (Hyangmok Baik, Jonni Cheatwood, Deborah Segun) alongside those whose solo exhibitions begin in 2024: including Liam Alvy, Jack Kabangu, Tang Shuo, and Christina Zimpel. Also exhibiting in the group show are a slate of fresh new perspectives, including Peter Larsen, SELEKA, and more. The purpose of this exhibition is to introduce new artists into our roster amidst the artists whose practices we have championed for some time. We anticipate an exciting mix to present to our friends, collectors, and followers.

We are very excited to bring this diverse and interesting roster together to finish the year but also to present a sneak peek of what's to come!
